Dodge County Homestead Exemption Update

The Dodge County Assessor's office, with the assistance of the Nebraska Department of Revenue (Department), recently issued a letter to a number of Dodge County property owners eligible for the 2015 homestead exemption program. These letters requested eligible property owners to file a new 2015 homestead exemption application or a copy of their originally-filed 2015 homestead exemption application with the Dodge County Assessor's office no later than October 31, 2015.

Over 700 property owners have responded to date. These homestead applications are now being processed by the Department. There are approximately 200 remaining property owners that have yet to contact the Dodge County Assessor's office with updated information. **If you filed a homestead exemption application before June 30, 2015 with the Dodge County Assessor's office, please file a copy of your original application or a new completed application as soon as possible, but no later than October 31, 2015.**

Staff in the Dodge County Assessor's Office is available to assist you in filing your application. Please stop by the Dodge County Assessor's office or call 402-727-3911 for assistance.
